Cornet.JS: The Humane JavaScript Library for Modern and Honest Web Notifications.

An open source project by Toby56 under the GNU General Public License.

□ | □ □

Info:

Cornet.JS is not yet out of its beta stages and available for use but will be soon, along with its own website.

Todos:

- ☑ Start project.
- ☑ First beta release!
- ☐ Major improvements.
- ☐ Release first stable version.
- ☐ Make website.
